About the Event: Orientation is a much-needed program that when planned correctly can aid all participants—new students, parents, faculty, staff, administration, and current students.

Students were formally welcomed and introduced to the culture of the University. It was followed by lamp lighting ceremony and Saraswati Vandana. Next, a brief description of the university, which included the Mission, Vision, Philosophy, History along with recent achievements.

The esteemed Registrar, Dr. Jitender Bhardwaj expressed his cultivating ideas. He exhorted students to prefer research, entrepreneurship over on campus placement, education should be knowledge oriented rather than placement oriented. Students should try to attain overall development in sports, extra-curricular activities in addition to academics. Prof. H.D. Kaushik, OSD to VC & Librarian of the CBLU, explained in detail about the vast inventory of literature available at the library, both in form of book as well as e-books. He also shared his valuable experiences with the new entrants. Prof. Radhey Shyam, Dean Academic Affairs, presented a brief on academic structure of the university, along with grading scheme and results. He highlighted that students stay focused as well as open to new ideas and experiences. He spoke about important issues like student's attendance, their code of conduct in the classroom and the assessment structure to be followed during the course.

Prof. Vikas Kumar, Dean, FCM enlightened the students about various electives which can be opted by the students and their importance in research, and he elaborated about PG programs offered at the CBLU. He also encouraged the students for entrepreneurship by giving various examples of entrepreneurs. The grooming of future manager starts from one day he said. Getting a job should not be the sole focus of the students but rather they should look for opportunities to create new ones. The Guest Speaker of the Orientation Programme enlightened and blessed the new batch with his word of wisdom. He proposed that the students should live with perfect and holistic health to contribute to the collective well-being of human kind. He also talked about the harmony of body, mind and intellect. He has given presentation on "Recruitment & Selection in JBM". The session was very interesting & interactive. Mr. Deepak in his thought provoking speech emphasised the role of management education in the overall development of future managers. He also pointed out that students should be equipped with multi-skills, right attitude and time management and must desire for learning and positive restlessness for self-improvement. Different cultural programs were also organized like song, dance, departmental presentation, business quiz, one minute games for

the first year students. The new batch showcased their diverse talents and creativity through their introduction and performance. Finally program was concluded with vote of thanks by Ms. Vibha Rajgarhia.
