Humanity (SHoDH), Haryana**

Organizes

Two days National Webinar on

“Role of Women in Self-Reliant India”

On

24-25 June, 2020

About Webinar

The Covid-19 pandemic has emerged as one of the worst health crises of the century and has led to an international emergency. There has been no immediate cure to the disease as the vaccine development will take a while and lockdown has been the only option before the world. The largest Covid-19 lockdown took place in India as more than 1.3 billion people were locked to their homes. India's GDP estimates were downgraded even more to negative figures, signaling a deep recession. These factors have led to an economic package announced by our respected Prime Minister Shri Narendra Modi ji to not only revive the economy, but to make India self-reliant, self-sufficient.

For a Self-Reliant India, it is important to take the women along. Women are the backbone of society and have always played a positive role in shaping our society. In the current scenario as well, our women entrepreneurs and professionals will have a greater responsibility in crafting the future. Hence, the mission Atmanirbhar Bharat will only be successful when more and more women join in and lead the economy to glory. This webinar aims to discuss opportunities and challenges for the women to become a strong pillar of self-reliant India.

About University

Chaudhary Bansi Lal University (CBLU) was established under the Act No. 25 of 2014 by the Government of Haryana. The University Has been established to facilitate higher education in multi-disciplines with emphasis on sports and physical education. The university has proved to be a boon for the people of the region as it has increases their access to quality education especially for girls. The University is now a teaching cum affiliating university with a major focus on quality teaching, Research and extension.

About Dattopant Thengadi Centre for Development Studies (DTCDS)

The University established the center to provide a platform for integrated study and research specially to address the problems being faced by local rural and urban people. The Centre promotes research on issues and ideas brought to public by Thengadi Ji.

About SHoDH

SHoDH is an effort to start a dialogue with the research community of India to bring researchers from all disciplines at one platform. SHoDH provides the opportunity to apply multidisciplinary approach to research for holistic development of the society. SHoDH utilizes the opportunity as well as individual efforts of researchers and academicians for seamless exchange of ideas. Under this initiative, scholars are encouraged to conduct research and present unbiased findings based on scientific methods and research ethics.
