ABOUT THE EVENT

On the occasion of “National Mathematics Day” the Department of Mathematics, Chaudhary Bansi Lal University, Bhiwani is organizing National Seminar on “Mathematical Applications in Science and Technology” on December 22, 2020. The main objective of the seminar is to encourage mathematical thinking and recurring concepts in Mathematical contents. Mathematical applications is a full-blown tool used in all science disciplines, technical & engineering. Science & Technology are the essence of life today. In war and peace, computational applications are used to extrapolate information with the maximum known. In the changing world, these applications provide the methodology and framework of rigorous thoughts development in Science, Technology & Engineering. The aim of the seminar is to stimulate collaboration between scientists, mathematicians, active researchers, educators, technocrats and engineers representing research institutions, education institutions and Engineering related organization.

TOPICS OF THE SEMINAR

Cryptography, Coding Theory, Reliability Engineering, Mathematical Physics, Mathematical Modeling in Science & Technology, Theoretical Seismology, Computational Fluid Dynamics, Computational Elasticity, Mathematical Statistics, Applied Statistics, Computational Chemistry, Biostatistics, Econometrics, Bio-Informatics, Computational Biology, Simulation, Mobile Adhoc Network, Information Theory.

Any other topics relevant to theme of the Seminar

IMPORTANT DATES

Last date of Registration	: 18-12-2020
Last date of Abstract submission	: 18-12-2020
Date of full length paper submission	: 19-12-2020

Submit abstract/full length research paper along with registration form on: masat2020.cblu@gmail.com

REGISTRATION FEE

Participation Fee: 100/-

Paper Presentation Fee: 200/-
