Vision of the University

To be known as a University having capacity to transform the society through continuous innovation, research, creativity and entrepreneurship in the domain of higher education.

Mission

The overall focus of the University will be to create transformative experience of the learners to enable them to realize their full potential. Towards this end following will be the focal areas:

To create an environment in which new ideas, research and scholarship flourish, and from which the leaders and innovators of tomorrow emerge.

To use local resources and environment as testing laboratory by faculty and students for generating new ideas and solution of local problems.

To provide a challenging and rigorous curriculum which is global in outlook and simultaneously provides an understanding of the needs of society and industry.

To collaborate with leading academic and research institutes around the world to strengthen the education and research ecosystem.

To integrate ICT into teaching - learning processes and administrative systems for enhancing their effectiveness.

To create forums to encourage students to participate in curricular and extra-curricular activities to showcase and hone their talent and creativity.

To promote continuous engagement with stakeholders at all levels i.e. students, faculty, administration, alumni, industry, management of affiliated institutions, government & regulatory bodies and community for their support, new ideas and feedback.

Core Values

The core values adopted by the University as enduring principles include:

Integrity : University will adhere to the highest standards of ethics in all its activities and will promote an environment of academic freedom and honesty to carry out teaching and research related activities.

Excellence: University is committed to excel in all spheres of its activities, and through internal and external reviews will work towards continuous improvement. Exceptional efforts of students , faculty and supporting staff shall be recognised through awards and honours.

Accountability: CBLU, being a government funded university ensures accountability for all its actions and activities to the people of the country and society.

Transparency: The University will function in accordance with defined procedures and rules, and all important information related to its functioning shall be made public.

Empathy: Our endeavour will be to contribute towards the solution of the problems facing the society especially of the weaker sections , through teaching , research and extension activities of the University.

Collegiality and Collaboration: University shall seek inputs from all stakeholders and follow participatory decision making process.

VIGNETTES OF THE UNIVERSITY

Chaudhary Bansi Lal University, Bhiwani has been established by the Government of Haryana under Act No. 25 of 2014 as a Multi-disciplinary teaching-cum-affiliating university to facilitate higher education in multiple disciplines with special emphasis on sports and physical education and to achieve excellence in Sports, Health and Science.

As a state university recognized by the University Grants Commission (UGC) under 2(f), CBLU envisages establishing and perpetuating the tradition of excellence in innovative teaching, research and community outreach with the objective of fulfilling the societal responsibilities—local as well as global. Located in Bhiwani, the University has 59 affiliated colleges spread over two districts—Charkhi Dadri and Bhiwani with approximately 40,000 students enrolled with the University. It offers various career-oriented undergraduate, postgraduate and doctoral research programmes under six faculties. The University has already adopted the NEP-2020 in spirit by implementing CBCS scheme of examination in all the UG and PG programmes that have been updated with the latest teaching-learning strategies conducive to the aspiring students' holistic development.

Despite the constraints of space and other resources, the University has well-equipped laboratories and full-time internet connectivity. Still in its infancy, the University is striving towards stupendous excellence in research and innovation., thus, building up a national character. Besides the financial grant that it receives from the state government, the University makes every effort to get maximum financial assistance from the various central funding agencies such as UGC, CSIR, ICSSR and DST, etc.

During the Covid-19 lockdown, the University continued its online teaching-learning programmes. More than 80 online lectures were organised by the University in a period of around three months.

Aspiring to touch the apex of success in all domains of knowledge, the University aspires to shift to its own magnificent complex in which the various teaching departments will commence their classes from the upcoming Academic session. As a part of the first phase of the construction of the entire campus, two up-to-date teaching blocks have been constructed at a cost of about 88 crore rupees. As the second part of phase one, the project of around 127 crore rupees for the construction of roads, waterworks, powerhouses, sewerage system, herbal gardens, students' facilitation centres, boom barriers, etc. is also about to start shortly. The process for the second tender of phase one is underway in which a seventy-bed guest house, sewerage treatment plant and other developmental works will be undertaken. Around 200 crore rupees are being spent on phase one.

In phase two, a boys' hostel, a girls' hostel, administrative block, canteen, central library, sports and students' activity centre, the residence for the Vice-Chancellor, the Registrar and other faculty members will be started. The classrooms and laboratories will be equipped with latest technical facilities. The work of construction for these buildings is in full swing.

Library

UNIVERSITY LIBRARY

The library of a university is a window to its academic growth and temperament. CBLU has made vigorous efforts to create an educational ambience on the campus by improvising a well-accommodating and amply-stocked library. With the objective of building a

treasure trove of knowledge, the University invested a budget of around Rs. 30,70,530/- on the purchase of 15780 new books. An investment of around Rs 88,055/- was also made in research journals to promote research and quality teaching-learning. Despite the space constraints, the students have an easy access to the resources available in the library and on an average around 150 students visit the library on a daily basis.

Chaudhary Basi Lal University Library is a central facility, which caters to the informational requirements of the students, teachers, research scholars, and other staff of the University located at Bhiwani and other parts of the state of Haryana. Library collections are maintained in the University Library. University Library was established in 2014. Laboratories

The University in a short period has developed a strong base in disciplines of science such as Biotechnology, Zoology, Botany, Mathematics, and Physics. Departments are well equipped with high-end instruments like Speed Vac, UV-Visible Spectrophotometer, Autoclaves, Double Distillation Units, Weighing Machines, BOD Incubators, Oven, Plant Growth Chamber, Microscopes, Centrifuges, SDS and Agarose Gel Electrophoresis, etc. Steps have been taken to further upgrade the laboratories by Acquiring Fluorescent Microscopes, Dissecting Microscopes, Real-Time PCR FACS, MilliQ System, Nanodrop, and many more sophisticated instruments.

Computer Centre

University maintains two (02) computer laboratories with one Server Room having computers with the latest configurations and software(s). Students of all programs are given practical training in computers, information technology, and domains specific software(s). Labs are wi-fi connected. The Centre also conducts regular training programs for enhancing the capability of teaching and non-teaching staff to handle data, its analysis, and usage.

Choice Based Credit System (CBCS): Chaudhary Bansi Lal University is one of the very first Universities to adopt CBCS in Haryana. The University incorporated Open Elective Courses in the scheme of all the courses so that the students may opt for interdisciplinary choices from various courses offered by the University.

Open Elective Courses: As per CBCS guidelines, the students of P.G. Programmes are offered various Open Elective Courses to opt from (excluding the course offered by their own department)

LIST OF OPEN ELECTIVE COURSES

1. Vedic Mathematics
2. Creative Writing
3. Biodiversity of living Organisms
4. Establishment & Management of New Businesses
5. Socio Economics Development of Haryana
6. Yoga Health & Nutrition
7. Environment & Energy Management
8. Swacch Bharat Internship Programme
9. Water and soil Analysis
10. Data Analysis Using Excel & SPSS
11. Psychology for Everybody Living
12. General Geography of India
13. Hindi Sanchar Kaushal (Communication Skill in Hindi)
14. चरित्रनिर्माण एवं व्यक्तित्व विकास

18. Medicinal Plants in Everyday Life
19. Basic of Climatology
20. Radiation Effects

HOBBY CLUBS

Aiming at harnessing the unique inherent potentials of each student, the University started eleven Hobby clubs in UG and PG Programmes so that students should have the opportunity to get involved in activities of their interest and choice.

List of Clubs (Both for UG and PG Programmes) :

1. IT Innovators Club (IT Club)
2. Performing Arts (Dance, Drama, Singing)
3. Sports and Fitness Club (Including the Indoor and Outdoor games, Yoga and Meditation)
4. Outreach (Extension and Rural Activities Club like social awareness programmes and sensitization)
5. Literary (Debate, Declamation, and Writing skills)
6. Fine Arts (Painting, Drawing, Sculpture, and Graphics)
7. Photography and Videography
8. Gardening & Landscaping
9. Entrepreneurship
10. Media Club
11. Culinary Skills (Cooking)

MOU'S AND COLLABORATIONS

University has entered into strategic tie-ups with organizations/departments of National and International repute. An **MoU has been signed with the Zoological Survey of India, Kolkata** to give an opportunity to the faculty and research scholars to go for short-term training/researches to various centres of the Zoological Survey of India. For character building and inculcation of traditional Indian value system, an **MoU has been signed with Siksha Sanskriti Utthan Nayas, New Delhi**. Under this, a certificate course in Character Building and Personality Development and on Vedic Mathematics shall be offered to the students.

MOU between CBLU and Wolkite University, Ethiopia

Chaudhary Bansi Lal University signed an MoU with Wolkite, a renowned university in the South African country of Ethiopia. The MoU was signed by Dr. Jitender Bhardwaj, Registrar, Chaudhary Bansi Lal University and Prof. Dijane Aile Teissima, President, Ethiopia Wolkite University.

The two universities will conduct research projects, faculty development, faculty exchange and student exchange programmes, joint conferences and joint seminars from time to time. Both the universities will establish new dimensions in research with quality education through mutual understanding and relationships. After signing the MoU, Prof. Dejeane Aile Tesima, President of Wolkite University, said that Chaudhary Bansi Lal University's quality education, copying-free examination, digital degree and environment-friendly approach is an example in itself. It is a step to establish a new dimension. Both the universities will be successful in making their international recognition in research, which will be a boon for the students.

MOU between CBLU and Federation of Industries of India

An MOU was signed between Chaudhary Bansi Lal University, Bhiwani and the Federation of Industries of India in the presence of Prof. R. K. Mittal, Vice-Chancellor, CBLU, Sh. Shailendra Vyas, Vice President of the Federation of Industries of India and Sh. Deepak Jain, Federation's Founder President. Sh. Shailendra Vyas said that the Federation of Indian Industries' objective is to encourage the youth to establish small and micro industries. Intending to overcome the severe problem of unemployment, the federation encourages youth to take up self-employment and create new jobs. The federation will work along with CBLU to provide employment-oriented education, encourage self-employment, special training, special industrial excursions, seminars, etc. Aryabhata Incubation Center will be opened in the university. The convener of the employment orientation program would be Dr. Ashwani Kumar.

REMARKABLE CELEBRATIONS

Orientation Programme

Orientation is a much-needed program that can aid all participants—new students, parents, faculty, staff, administration, and current students. Orientation is designed to answer questions before they are asked and provide solutions before problems occur. By planning appropriately and using all campus resources, orientation should relieve anxieties and prepare the new students for success.

The orientation program for the newly admitted students of MBA, M.Com, MA (Economics) & MSW was organized on 2nd September 2019. Students were formally welcomed and introduced to the academic culture of the University.

The orientation began with a brief inaugural ceremony at CBLU Auditorium. The dignitaries present on the occasion were Guest of Honour Mr. Deepak Bansal (GM-HR, JBM Gurgaon), Worthy Vice-Chancellor Prof. R.K.Mittal, Dr. Jitender Bhardwaj (Registrar), Prof. H.D. Kaushik (OSD to VC), Prof. Radhey Shyam (Dean, Academic Affairs), Prof. Vikas Kumar (Dean, FCM).

It was followed by a lamp lighting ceremony and Saraswati Vandana. Next, a brief description of the university, which included the Mission, Vision, and tradition of the university along with recent achievements, was given.

The esteemed Registrar, Dr. Jitender Bhardwaj expressed his enlightening ideas. He exhorted the students to prefer research, entrepreneurship over on-campus placement. He further said that education should be knowledge-oriented rather than placement-oriented. Students should try to attain overall development in sports and extra-curricular activities also, besides academics.

Prof. H.D. Kaushik, OSD to VC & Advisor, Library, explained in detail the vast inventory of literature available in the library, both in form of books as well as e-books. He also shared his valuable experiences with the new entrants.

Prof. Radhey Shyam, Dean Academic Affairs, presented a brief introduction on the academic structure of the University, along with the grading scheme and results. He highlighted that students should stay focused as well as open to new ideas and experiences. He spoke about

important issues like student's attendance, their code of conduct in the classroom and the assessment structure to be followed during the course.

Prof. Vikas Kumar, Dean, FCM enlightened the students about various electives which can be opted by the students and their importance in research, and he elaborated about PG programs offered at the CBLU. He also encouraged the students for entrepreneurship by giving various examples of entrepreneurs. Getting a job should not be the sole motto of the students; rather they should look for opportunities to create new ones.

Mr. Deepak Bansal, General Manager-HRM, JBM Group, Gurgaon was the Guest of Honour of this event. The Guest Speaker of the Orientation Programme enlightened and blessed the new batch with his words of wisdom. He proposed that the students should have good health to contribute to the collective well-being of humankind. He also talked about the harmony of body, mind, and intellect. He gave a presentation on "Recruitment & Selection in JBM". The session was very interesting and interactive. Mr. Deepak in his thought-provoking speech emphasized the role of management education in the overall development of future managers. He also pointed out that students should be equipped with multi-skills, a positive attitude, time management and must have an insatiable urge for self-improvement.

Different cultural programs were also organized like a songs, dance, departmental presentation, business quiz, one-minute games for the first-year students. The new batch showcased their diverse talents and creativity during their introduction through their performances. Finally, the program concluded with a vote of thanks by Ms. Vibha Rajgarhia.

Induction Programme

Another Induction Programme was organized for the students of M.Sc. Geography by the Department of Geography, School of Earth, Environment and Space Sciences, Chaudhary Bansi Lal University, Bhiwani on August 31, 2019. The newly admitted students as well as the students of the 3rd semester of M.Sc. Geography participated in the Induction Programme. Prof. Bhagwan Singh Chaudhary, Chairperson, Department of Geophysics, Kurukshetra University, Kurukshetra and Prof. Bhupinder Zutshi, Centre for the Study of Regional Development, Jawaharlal Nehru University, New Delhi were invited as the subject experts for the programme. Dr. Jitender Bhardwaj, Registrar, Chaudhary Bansi Lal University graced the occasion with his eminent presence and motivated the students to pursue their career in higher education and contribute significantly to the overall development of society.

The programme started with lighting of lamp before Goddess Sarasvati, followed by the 'Saraswati Vandana' by the students of M.Sc. Geography. Prof. Bhagwan Singh Chaudhary gave a presentation on 'Glimpses of Indian Space Programme' and its application in the field of earth resource mapping.

He also emphasised the importance of remote sensing and GIS and exhorted the students to pursue their careers in these and related fields, as they offer much scope of employment

opportunities. On this occasion, Prof. Bhupinder Zutshi gave a presentation on ‘Social Aspects of Geography and Disaster Management, in which he discussed the concept of Hazard and Disaster, their various attributes and aspects—physical and social. In his thought provoking lecture, Prof Zutshi underlined the importance of the societal aspect in the field of disaster management and its current scenario as well as prospects in the Indian context.

After the extension lectures, Prof. Bhupinder Zutshi and Prof. Bhagwan Singh Chaudhary held an interaction with the newly admitted students of M.Sc. Geography. Prof. Zutshi also highlighted the importance of Human Geography and existing employment opportunities in the field.

Poster and Rangoli making competitions were also organised on the occasion. Later, worthy Registrar, faculty members of the Department of Geography and students planted saplings in the University lawn.

The faculty members of the department—Dr. Rakesh Kumar, Dr. Surbhi Gaur and Dr. Deepika Sankhyan were also present on the occasion. Dr. Pawan Kumar, In-charge of, Department of Geography extended his vote of thanks to all the invited subject experts, faculty members, non-teaching staff, and students for their best possible efforts to make the induction programme a very successful event.

TEACHER’S DAY CELEBRATION

5th September 2019

Teacher's day was celebrated on 5th September 2019 in the university auditorium. The event was organized by the Faculty of Commerce and Management. Prof. Lokesh Shekhwat, former Vice-Chancellor, Jai Narayan Vyas University, Jodhpur was the keynote speaker. The celebration was preceded by an informal session in which staff members played some interactive games. The formal event commenced at 2:30 PM

with customary lamp lighting by the dignitaries in front of *Ma Saraswati*.

Prof. Radheshyam, Dean, Academic Affairs, Chaudhary Bansi Lal University presented the welcome address. He congratulated the faculty members on the occasion and praised them for their contribution to society. On this occasion, the biography of Dr. Sarvepalli Radhakrishnan was shared and his achievements, ideologies and teachings were remembered.

The staff members were then addressed by Dr. Jitender Bharadwaj, Registrar, Chaudhary Bansi Lal University. He expressed his gratitude towards his teachers, congratulated the staff and motivated them to make efforts to enhance their teaching skills. The university staff got the pleasure of being addressed by Senior Professor Dr. Lokesh Kumar, the keynote speaker of the day. He shared numerous instances from his life that were amusing and motivating for the budding teachers. He lamented the fact that sometimes the younger generation of teachers is devoid of moral values. He also congratulated the staff on the occasion and applauded their efforts.

The students of the university also added colour to the programme by expressing their gratitude towards their beloved teachers. Detailed Lecture (October 19, 2019)

A detailed lecture was organized by the Department of Botany, CBLU, Bhiwani. In this, Professor of Delhi University, Dr. S.B. Babbar was invited as the keynote speaker. The lecture was held at Sarvapalli Radhakrishnan Auditorium in the presence of M.Sc. students of Life Sciences. Professor S.B. Babbar explained in detail about DNA barcoding, a new technology of science, how in the coming times, using this technique will help in identifying the extinct species of trees and plants with the help of their remains. It is helpful to check the purity of medicines and foods made from any part of the plant. The products used in everyday life such as Chyawanprash are the herbs used by this technique. The purity of meat that is eaten in abundance can be detected. The purity of products like desi ghee and milk can also be certified. All similar things that are being smuggled in the name of precious herbs can be stopped. This technology alerts us about such activities happening around us and whether the products we are using in our daily life are suitable for us or not. At the end of the program, the keynote speaker was greeted by Dr. Monika Miglani, In-charge of the Botany Department. Ending statement expressing gratitude to Dr. Babbar inspired the children to use this technique to improve their future.

‘Rashtrarishi’ Dattopant Thengdi

A special lecture was organized by ‘Rashtrarishi’ Dattopant Thengdi Development Study Centre, Chaudhary Bansi Lal University, Bhiwani in the Dr. Sarvepalli Radhakrishnan Auditorium on December 04, 2019 to inspire the students to follow the life and philosophy of Dantopat Thengdi. Acknowledging the life and philosophy of Dattopant Thengdi Ji, Dr. Ashwani Mahajan (National Co-ordinator, Swadeshi Jagran Manch) narrated that Danttopant Thengdi struggled hard for the welfare of poor labourers and farmers. Danttopant Thengdi raised the voice for the well-being of the farmers and laborers. Dr. Ashwani Mahajan stated that respected Dattopant Thengdi was the founder member of the All India Kisan Sangh. Raising the confidence of the unorganized farmers, Thengdiji coined the slogan “*Kisan Hamara Neta Hai*”, and “*Desh ke Bhandaar Hum Bharwenge,, Lekin Keemat Puri Lenge*”. Inspired by patriotism, he played a central role in building the largest mass organization. He organized the farmers and labourers successfully through group discussion, collective decision-making and collective leadership. Besides, Thengdiji provided new energy and direction to the Bhartiya Majdoor Sangh (BMS) and Swadeshi Jagran Manch as Founder

Member. Presiding over the session, Hon'ble Vice-Chancellor Prof. Raj Kumar Mittal asserted that Dattopant Thengdi Ji motivated the farmers, labourers and general population for the interest of nation and nation building. Vice-Chancellor also acclaimed the role played by Dattopant Thengdi Ji in strengthening the economy of the nation through Swadeshi Jagran. The Registrar, Dr. Jitender Bhardwaj appealed that youth should take part wholeheartedly in the nation-building, learning from the life and philosophy of the Dattopant Thengdi Ji.
