कुलगीत

विश्वविद्या का उपासक, विश्वविद्यालय हमारा ।
सत्य शिक्षा का प्रसारक, सत्य शिक्षालय हमारा ॥

है गगन जिसका सुपावन, ऋषिधरा जिसकी सुहानी ।
गोद में जिसको सहेजे, धन्य लघु काशी भिवानी ।
प्रेम का सुन्दर नगर यह, सौम्य शोभालय हमारा ॥

नव कला, विज्ञान, कृषि, वाणिज्य, खेल, खगोल शिक्षा ।
शौर्य के संधान, कौशल कार्य की शुभ नवल दीक्षा ।
ज्ञान दीपों से सुशोभित, दीप्त दीक्षालय हमारा ॥

है यही संकल्प जागें, भावपूर्ण परम्पराएँ ।
ज्ञान का आलोक फैले, जगमगाएँ सब दिशाएँ ।
सत्य, शिव, सुंदर रहे, यह ज्ञान का आलय हमारा ॥

लक्ष्य अपना व्यक्ति के, व्यक्तित्व का निर्माण करना ।
राष्ट्र का उत्थान करना, विश्व का कल्याण करना ।
विश्व की वाणी बने यह, दिव्य देवालय हमारा ॥

FROM THE DESK OF THE VICE-CHANCELLOR

It gives me immense pleasure to present the Annual Report of Chaudhary Bansi Lal University, Bhiwani for the academic year 2024–25. This year has been marked by purposeful initiatives, for academic excellence.

In consonance with NEP 2020, the University has undertaken significant curricular reforms and modifications to make education more flexible, multidisciplinary, skill-oriented and learner-centric. Updated syllabi, introduction of value-added courses, emphasis on experiential learning and outcome-based education have strengthened the academic framework and enhanced student employability.

To promote lifelong learning and widen access to education, the University successfully conducted weekend classes for Diploma and Certificate Courses, catering especially to working professionals and learners seeking skill upgradation. These initiatives reflect our commitment to flexible learning pathways and community engagement.

Sports and physical well-being continued to be a priority. Our students participated in and won distinctions in various inter-university, state and national-level sports events, bringing laurels to the University and fostering a culture of discipline, teamwork and fitness.

The year also witnessed notable growth in research, innovation and entrepreneurship. Faculty and students actively contributed through research publications, projects, workshops and participation in innovation-driven activities. The University strengthened its industry connect through meaningful collaborations, MoUs, internships, expert lectures and exposure visits. Focus on start-ups and innovation ecosystems has encouraged entrepreneurial thinking among students.

Our Youth Welfare activities played a vital role in nurturing leadership, social responsibility and cultural values through NSS, cultural programs and community outreach initiatives.

I sincerely appreciate the collective efforts of faculty, staff, students, alumni and stakeholders in shaping this progress. With shared dedication and vision, CBLU will continue to emerge as a centre of excellence contributing meaningfully to nation-building.

Deepti Dharmani
Vice -Chancellor

FROM THE DESK OF THE DEAN ACADEMIC AFFAIRS

Chaudhary Bansi Lal University, Bhiwani, is dedicated to promoting academic excellence, research innovation and value-based higher education. As we begin the academic session 2024–25, the University continues its efforts towards strengthening teaching–learning processes, academic reforms and quality assurance in accordance with the framework of NAAC and the initiatives of the Internal Quality Assurance Cell (IQAC).

Higher education plays a vital role in shaping knowledge, skills and character. The University lays strong emphasis on ethical values, academic integrity and the development of national character among students. Through well-structured academic programmes, mentoring and extension activities, students are encouraged to develop discipline, social responsibility and respect for constitutional and national values. These efforts aim to prepare graduates who are not only competent in their fields but also committed to the progress of society and the nation.

Academic reforms remain a key priority of the University. In line with NAAC recommendations and IQAC-led initiatives, continuous curriculum revision, outcome-based education and student-centric teaching practices are being adopted. Skill-oriented courses, interdisciplinary approaches and innovative teaching methodologies are encouraged to enhance learning outcomes. Faculty development programmes and academic workshops are regularly organized to strengthen teaching quality and academic leadership.

Research and innovation form an integral part of the University's academic vision. Special emphasis is placed on research that addresses local and regional issues and contributes to social and economic development. Faculty members and research scholars are motivated to undertake applied and interdisciplinary research in areas such as agriculture, education, environment, rural development and social concerns. The University encourages a research culture that values originality, relevance and ethical research practices.

The University also recognizes the importance of holistic development. Students of Chaudhary Bansi Lal University have demonstrated excellence in sports, including participation and achievements at national and international levels. These accomplishments reflect the University's commitment to discipline, teamwork and overall personality development alongside academics.

I extend my sincere best wishes to all students, faculty members and staff for a fruitful and successful academic year ahead. Let us work together to uphold academic quality, ethical values and research excellence in the service of the nation.

Dinesh Kumar
Dean Academic Affairs

FROM THE DESK OF THE REGISTRAR

Chaudhary Bansi Lal University, Bhiwani, continues its steady progress as an institution committed to quality higher education, ethical values and national development. As we begin the academic session 2024–25, the University renews its dedication to creating a learning environment that supports academic excellence, character building and social responsibility.

Higher education plays a vital role in shaping not only careers but also values and attitudes. At Chaudhary Bansi Lal University, we focus on nurturing ethical conduct, discipline and respect for social and national values among students. Through academic programmes, cultural activities and community engagement, the University seeks to build national character and encourage students to become responsible, sensitive and law-abiding citizens who contribute positively to society.

Research is an important pillar of the University's academic mission. We encourage research activities that are practical, meaningful and closely connected to local and regional issues. Faculty members and research scholars are motivated to address problems related to agriculture, environment, education, health and rural development. Such research not only enriches academic knowledge but also helps in finding solutions that directly benefit society and support sustainable development.

The University is also making continuous efforts towards infrastructural development. Modern classrooms, laboratories, library facilities, digital resources and student support services are being strengthened to provide a comfortable and effective learning atmosphere. These developments aim to enhance the academic experience of students and support innovative teaching and research practices.

Increasing the visibility and outreach of the University remains a priority. Through academic events, seminars, conferences, extension activities and digital initiatives, Chaudhary Bansi Lal University is gradually strengthening its presence at regional, national and international levels.

The University takes pride in the achievements of its students in sports, including participation and success at national and international levels. These accomplishments reflect the University's commitment to overall personality development and the promotion of sportsmanship, discipline and excellence.

I extend my best wishes to all students, teachers and staff for a successful and productive academic year ahead. Let us work together to uphold the values of knowledge, integrity and service.

UNIVERSITY LIBRARY

Library is a central facility, which caters to the informational requirements of the students, teachers, research scholars and other staff members of the University.

Library Committee

Library Committee, the policy making body of the library has Vice-Chancellor as its Chairman, Registrar of the University as member, In-charge Library as its member-secretary, all Deans of the Faculties, Heads of 07 Departments, two outside experts, University librarians and two research scholars are nominated as members of the Committee for a period of two years.

Readers' Services

Since the inception of the University Library, the Library has registered 1322 members (as per available online record) out of which 78 were Faculties, 26 research scholars, 1356 P.G. students and 68 non-teaching staff. Presently, total active members are 3534.

LIBRARY TIMINGS

Circulation Counter	09.30 a.m. to 4.30 p.m. (Monday to Friday, except Sundays and Gazetted Holiday)
Reading Time	09.30 a.m. to 5.00 p.m. (Monday to Friday, except Sundays and Gazetted Holidays)

Library use and services

- **Circulation Services**

Library conducted 7483 circulation transactions.

- **Reading facilities and visitors to libraries**

The University Library System provides excellent reading facilities. The library has air-conditioned reading halls with capacity of 105 reading seats. Over 1322 library users availed this facility during the period under report.

- **User awareness programs**

Popularization and promotion of library use is a very important function of any library to meet the objectives. The library conducted Orientation Programmes through online resources, to equip the users with skills to use e-resources, online catalogue and other library services.

- **Acquisition of learning resources**

Sr. No.	Nature of Collection	Total Collection
1.	Books	26496
2.	ONOS	13000 e-journals of 30 major publishers
3.	Journals (Print)	53+ 250 bound journals
4.	Newspaper	14
5.	Magazine	16

- **E-Resources (E-Books & E-Journals)**

The University Library has strengthened its digital collection by purchasing 99 e-books across various disciplines to support teaching, learning and research activities of students and faculty members. These e-books provide easy online access to updated academic content at any time.

In addition, the University Library is providing access to ONOS (One Nation One Subscription) e-journals, which offer a wide range of high-quality national and international scholarly journals. ONOS ensures comprehensive coverage of research literature and promotes cost-effective access to peer-reviewed journals for the academic community.

These digital resources significantly enhance the library's e-learning infrastructure and support academic excellence in the university.

- **National Digital library of India (NDLI)** is a project under Ministry of Human Resource Development, Government of India. The objective is to collect and collate metadata and provide full text index from several national and international digital libraries, as well as other relevant sources. It is a digital repository containing textbooks, articles, videos, audio books, lectures, simulations, fiction and all other kinds of learning media. Science Conclave (2025)

Chaudhary Bansi Lal University organized a two-day Science Conclave on 05–06 February 2025 in collaboration with the Haryana State Council for Science and Technology on the theme “India’s Contribution to the World of Science.” The conclave brought together over 800 students from 65 schools across Bhiwani and Charkhi Dadri districts, providing a dynamic platform for model exhibitions, poster presentations and science-based skits across diverse themes including Artificial Intelligence, Biotechnology, Sustainable Development, Space Exploration and Healthcare.

The inaugural session was graced by Hon’ble Education Minister of Haryana, Sh. Mahipal Dhanda, as Chief Guest. Vice-Chancellor Prof. Deepti Dharmani delivered the welcome address, while Prof. R.K. Anayat (OSD, Higher Education, Govt. of Haryana), former Information Commissioner Sh. Shiv Raman Gaur (IAS) and MLA Sh. Ghanshyam Saraf addressed the gathering. Prof. Surendra Kumar convened the event.

Technical sessions featured eminent speakers including Prof. Ashok Sharma (Former Registrar, University of Ladakh), Prof. Nathi Lal Sharma (Michigan University), Prof. S.P. Khatkar (MDU, Rohtak) and Dr. Anurag (NSUT, Delhi). The valedictory session was graced by industrialist Sh. Dharmesh Shah.

The conclave successfully fostered scientific curiosity, innovation and research orientation among young learners, particularly from rural backgrounds, reinforcing the University’s commitment to nurturing future-ready scientific talent.

Fourth Convocation Ceremony

Graced by Hon'ble Governor Bandaru Dattatreya

The fourth convocation ceremony of Chaudhary Bansi Lal University (CBLU), Bhiwani, will be held on May 1, 2025, at 11:00 a.m. in the university's new Prem Nagar campus. The ceremony will be graced by the Hon'ble Governor of Haryana, Shri Bandaru Dattatreya, as the Chief Guest. All arrangements for the grand event have been completed.

The Hon'ble Governor of Haryana, Shri Bandaru Dattatreya, graced the Fourth Convocation Ceremony of Chaudhary Bansi Lal University (CBLU), Bhiwani, as the Chief Guest and conferred degrees upon 1,276 students and gold medals to 48 meritorious scholars, including 43 women achievers.

In his inspirational address, Governor Dattatreya emphasized that *“Education is not merely learning, but a form of spiritual pursuit — a continuous process of self-evolution that knows no time limits. Students must remain lifelong learners, embracing discipline, hard work and a positive outlook — for these are the true paths to success and fulfillment.”*

Encouraging the graduates, he urged them to integrate new technologies, skill development and character-building into their lives and to move forward with modesty, patience and optimism. The Governor also honoured Dr. Mallika Nadda, President of the South Asian Paralympic Committee, with the Honorary Doctorate (Honoris Causa) for her exemplary contribution to sports and social welfare.

On this occasion, he released a commemorative souvenir highlighting the university's ten-year journey of progress and dedicated a new ambulance to the university for student welfare. The Governor remarked that *“A degree is not just a piece of paper; it is a testament to your diligence, discipline and knowledge. True education refines us as human beings and instills in us a sense of responsibility towards society.”*

He further described Late Chaudhary Bansi Lal Ji as *“the architect of modern Haryana”*, calling the university *“a living symbol of his visionary ideals in education, innovation and social development.”*

Applauding the leadership of Chief Minister Shri Nayab Singh Saini, the Governor highlighted that the National Education Policy (NEP 2020)—scheduled for nationwide implementation by 2030—has already been adopted in Haryana from 2025, positioning the state as a pioneer in educational reform. He encouraged students to embrace entrepreneurship, stating that under ‘Start-Up India’ and ‘Stand-Up India’ initiatives, they should aspire to become job creators rather than job seekers. He added that *“By 2030, India's IT sector is expected to generate nearly 10 crore employment opportunities—an invitation for youth to contribute actively to the nation's growth.”*

Addressing the gathering, Minister of State (Independent Charge) for Sports and Youth Entrepreneurship, Shri Gaurav Gautam, highlighted the government's commitment to providing world-class sports facilities, noting that *“Bhiwani has earned recognition across the nation and the world for its sporting excellence and it is time for even more athletes from here to shine on international platforms.”*

Rajya Sabha MP Smt. Kiran Choudhary lauded Smt. Shruti Choudhary, Minister for Irrigation and Women & Child Development, for her instrumental role in realizing Late Chaudhary Bansi Lal Ji's vision, remarking that *"CBLU is emerging as a milestone institution in the field of education and will soon become a leading university of Haryana."* She further encouraged young women, stating, *"When one daughter is educated, two families and the entire society are enlightened."*

Bawani Khera MLA Kapoor Singh Valmiki emphasized that *"education is the foundation of progress"* and expressed pride in the growing equality between sons and daughters, noting that *"girls today are bringing laurels to the nation in every sphere."*

In her address, Vice-Chancellor Professor Deepti Dharmani outlined the university's major achievements, emphasizing its focus on skill development, personality enhancement and value-based education. She shared that the university has adopted five villages under its Sustainable Development Goals initiative, establishing libraries and reading centers there. CBLU has also recently received 12(B) status, opening new avenues for research funding. She added that the university is actively engaged in environmental initiatives, including tree plantation, water and energy conservation and the cultivation of medicinal plants in its herbal garden.

Chairman of the Haryana State Higher Education Council, Professor Kailash Chandra Sharma, in his keynote address, reminded students that *"True success in life is achieved not merely by earning a degree, but by upholding the values and ethics that education imparts."*

The event witnessed the presence of Deputy Commissioner Mahavir Kaushik, Superintendent of Police Manbir Singh, SDM Mahesh Kumar, Vice-Chancellor of MDU Rohtak Professor Rajbir Singh, HBSE Chairman Dr. Pawan Sharma, industrialist Vipul Gupta, entrepreneur Dr. Ripalika Sharma, along with numerous eminent educationists, dignitaries and university officials.
