Agenda Items & Resolutions

1. Consideration of the Scheme and Syllabi for M.Sc. Chemistry
The Board reviewed the overall structure, scheme, and syllabi of the M.Sc. Chemistry program. It was noted that the scheme for the 1st to 4th semesters had been previously approved in the meeting held on 19/06/2025. Furthermore, the syllabi for the 1st and 2nd semesters were approved by the Academic Council on 29/07/2025 and 16/02/2026 respectively.
Following detailed deliberations, the Board recommended and finalized the following:
 - a. **Internship Guidelines:** Finalized the operational and assessment guidelines for student internships.
 - b. **3rd Semester Theory Content:** Finalized the curriculum content for all theory courses in the 3rd semester across all three specializations: Inorganic Chemistry, Physical Chemistry, and Organic Chemistry.
 - c. **3rd Semester Practical Content:** Finalized the laboratory and practical course content for the 3rd semester across all three specializations, specifically designed to enhance students' technical and practical skills.
 - d. **"Business Skills for Chemists" Course:** Finalized the framework for a 2-credit course aimed at improving student employability and entrepreneurship. This course may be completed via online platforms such as MOOCs or SWAYAM, subject to prior approval from the Chairperson of the Department of Chemistry or the respective College Principal.
